## Transportation

Cities serviced by Airlines, Distance to our Auction and the Airport Identifiers:

LEWISTOWN 24mi (LWT)	BOZEMAN 153mi (BZN)
GREAT FALLS 83mi (GTF)	HAVRE 163mi (HVR)
BILLINGS 137mi (BIL)	

Lewistown ground transportation call: Sparks Auto Plaza 800-823-3326 for rentals or contact Stevenson Angus in advance for transportation from the LWT airport. Visit the travel website of your choice for additional travel information.

## Accommodations

The following motels are located in nearby Lewistown. For reservations, contact either the Stevensons or the motel of your choice. Remember to ask reservation departments for Stevenson Angus Sale rates.

Calvert.....	406-535-5411
Yogo Inn .....	1-800-860-9646
Super 8 Motel .....	406-538-2581
B&B Motel .....	406-538-5496
Mountain View Motel .....	1-800-862-5786
Gumbo Flats B&B (Hobson) .....	406-423-5565
Hughes Mountain Ranch (Stanford) .....	406-566-2640

## Announcements

Announcements from the auction block take precedence over any printed material.

## Herd Health

All cattle will sell with proper health papers for interstate shipment.

## Payment

Payment is due in full on sale day. Past due accounts will be subject to 2% interest per month.

## Delivery

See our bull delivery policy on page 3. For all cattle purchased over the phone or through Superior, Stevenson Angus will be in contact following the sale to arrange delivery and payment.

## Inspection of Cattle

Our cattle are available for inspection at the Ranch any time.

## Food

Lunch will be served on sale day.

## Terms and Conditions

The cattle sell under the suggested terms and conditions of the American Angus Association.

## Sale Location

Sale held at the Home Ranch, 1.5 miles south of Hobson.  
See map back cover.

## Auctioneers

Joe Goggins and Roger Jacobs

## Sale Staff

Jerry Gliko.....	Western Livestock Journal
John Goggins.....	Western Ag Reporter
Kurt Kangas .....	Angus Journal
Don Ravellette .....	Cattle Business Weekly
Andy Rest .....	Loomix
Jeff Thomas.....	Prairie Star
Gary Wall.....	GW Genetics Unlimited

## Superior Livestock Auction Broadcast

Online and Pre-Videos at [www.StevensonAngus.com](http://www.StevensonAngus.com)

View: Pre-Videos, Live Auction and Online Catalog at [www.StevensonAngus.COM](http://www.StevensonAngus.COM)

**Sale Day Bid Line:** Will be given the time of pre-registering. To bid via the phone you must have a pre-registered buyer number.

**Pre-Register and for Additional Information Call:**

Stevenson Angus Ranch at  
406-423-7500 or  
Superior Livestock **800-431-4452**

## Sale Order

Cattle will sell in consecutive catalog order.

## Sight Unseen Purchase Guarantee

Sale Day Phone - (406) 423-7500. Buyers unable to attend the sale may call or send their bids to any of the Representatives listed or directly to Stevenson Angus. We provide a complete satisfaction guarantee for cattle purchased in this manner. When cattle purchased "sight unseen" are delivered, the buyer can inspect the cattle. If they are not as represented, simply put them back on our truck.

# CATTLE DELIVERY

We encourage all of you to stop by and coordinate delivery plans before leaving the Sale. If you are buying off-site, please let us know of any special instructions as soon as you can. Otherwise, we will contact you regarding date of delivery. Your cooperation in taking delivery is greatly appreciated.

## **Bull Delivery**

We are happy to announce that after 50 years of selling bulls, we are still delivering in Montana for free. We charge a nominal delivery charge for the surrounding tiers of states. Please use the map below to determine this charge. We would like to emphasize that we do our best to keep delivery costs to a minimum and we are offering a volume discount if you can assist in creating full loads with minimal drops.

The delivery cost will be added to invoice at check out.

We will continue to offer a pickup credit of \$50 per head for all bulls picked up within 7 days of the sale.

## **INSURANCE**

Mortality and loss of use insurance are both available for bulls purchased. An insurance representative will be here on sale day to help you with those needs.

## **FIRST YEAR BREEDING GUARANTEE**

All bulls selling for \$4000 or more will be covered 50% by Stevenson Angus Ranch if they are injured during their first season and not able to return to service. Season is defined as: Upon delivery through the 90-day period following the first turnout of the bulls.

50% of the value of the injured bull, minus salvage value, will be given as credit in a future sale or toward a replacement bull if one is available. All injured bulls must be diagnosed by a veterinarian. Please notify us as soon as possible should injury occur and prior to the injured bull being sold for salvage. All claims must be made by September 1, 2014.

*Example 1:* A \$5,000 bull is injured, a credit of \$2,500 minus any salvage value will be given to the buyer.

*Example 2:* A \$4,000 bull is injured, a credit of \$2,000 minus any salvage value will be given to the buyer.

*Example 3:* A \$3,750 bull is injured, no credit is given. Buyer retains all salvage value.

# STEVENSON ANGUS RANCH

---

# REWARDS

We would like to offer two forms of discounts, one to our faithful year-in and year-out customers and the other to our volume purchasers.

## **LOYALTY REWARD**

---

We would like to honor our customer's loyalty with a 5% discount to every bull purchased for any single customer that has purchases in TWO consecutive sales prior to this offering. In order to qualify, purchases need to have been made from our sales in Hobson from the Fall 2012 offering and Spring 2013 offering.

## **VOLUME REWARD**

---

In respect to our volume purchasers, we would like to offer a 50% discount on delivery cost to buyers of 10 to 19 bulls. For anyone purchasing 20 or more bulls, complete delivery is for free. Discounted costs are reflected as to our bull delivery map. Discount is only applied per sale purchases.

Any and all discounts will only be honored with full remittance of purchase payment on sale day. Discounts are only applicable to bull sales. Female purchases are not subject to the Stevenson Angus Rewards offer.

Applicable credits honored from our Breeding Guarantee are to be used within one year of submission.

called Gateway. Gateway verifies source and age.  
Contact AngusSource for more information.**

## Information Evolution

According to the American Angus Association, Expected Progeny Differences (EPDs) are a beef cattle selection tool for cow-calf and seedstock producers to rank or compare the relative genetic merit of animals. These tools are used to select sires for economically important traits that will allow future progeny to meet the desired characteristics for the producer's breeding program. The EPDs are reported in the units of measure for the trait, such as pounds of birth, weaning, yearling weights or carcass weight, or square inches of carcass ribeye area.

Unlike individual animal measures such as weights and ratios, EPDs can be compared across animals of different ages, herds, management groups and areas of the country within the Angus breed. EPDs are the common language of the beef industry to allow relative rankings comparisons of Angus seedstock for economically relevant traits.

EPDs provide a benchmark of genetic performance that is comparable across the American Angus Association database. Where weights and measures vary by season and animal age, as well as breeder and management routines, EPDs are genetic values with the environmental differences adjusted out. This allows comparison of EPDs breed wide.

EPDs incorporate varying sources of information on an individual animal and relatives, such as pedigree and the Associations weights or measures database for the trait of interest. These values allow breeders to compare animals directly against the breed population and chart their course for making genetic improvement. Updates are available weekly to further characterize Angus genetics in a timely fashion.

## How to Read the Sale Lot Information

Expected Progeny Difference (EPD) is the estimate of how future progeny of each sire are expected to perform in each of the traits listed. EPD is expressed in pounds, either plus or minus. For example, when used on the same cows, calves sired by a bull with a +50 weaning EPD should average 10 pounds more than those sired by a bull with a +40 weaning EPD. We have calculated interim EPDs for cattle that do not yet have official EPDs. EPDs are current as of catalog printing. Updated EPDs can be viewed at [www.angus.org](http://www.angus.org)

### Calving Ease Direct (CED) EPD

is expressed in percentage of unassisted births, predicting the average difference in ease with which a sire's calves will be born when he is bred to first-calf heifers.

### Birth (BW) EPD

is a predictor of progeny birth weight attributed to the parent.

### Weaning (WW) and Yearling (YW) EPDS

are predictors of the animal's ability to transmit weaning growth and yearling growth to its progeny.

**Milk EPD** is a predictor of an animal's genetic merit for milk and mothering ability.

**Scrotal Circumference (SC) EPD**, expressed in cm., is a predictor of the difference in transmitting ability for scrotal size compared to that of other sires.

### Calving Ease Rating (CE)

- ★★★★ Excellent calving ease, use with confidence on any type of heifers.
- ★★★ Superior calving ease, should work with most heifers and most situations.
- ★★ Moderate calving ease, most people will use these bulls on cows, but they can be used on heifers if calving ease is of less concern.
- ★ We recommend these bulls just for use on cows.

### Marbling (Marb) EPD

is expressed as a fraction of the difference in USDA marbling score of a sire's progeny compared to progeny of other sires.

### Ribeye Area (RE) EPD,

expressed in square inches, is a predictor of the difference in ribeye area of a sire's progeny compared to progeny of other sires.

### Fat Thickness (Fat) EPD,

expressed in inches, is a predictor of the differences in external fat thickness at the 12th rib of a sire's progeny compared to progeny of other sires.

### Index values are expressed in dollars per head

**Weaned Calf Value (\$W)** is the expected average difference in future progeny performance for preweaning merit and includes both revenue and cost adjustments associated with differences in birth weight, weaning direct growth, maternal milk and mature cow size.

**Feedlot Value (\$F)** is the expected average difference in future progeny performance for post-weaning merit compared to progeny of other sires.

**Grid Value (\$G)** is the expected average difference in future progeny performance for carcass grid merit compared to progeny of other sires.

**Beef Value (\$B)** is the expected average difference in future progeny performance for post-weaning and carcass value compared to progeny of other sires.

- Performance with the look, Rebel was the lead-off bull for Hamilton Farms Reserve Champion Pen of Bulls at 2012 NWSS.
- A fresh, new age pedigree from age-old proven genetics. Rebel would be considered an outcross to many of today's popular bloodlines. Mating flexibility is unlimited.
- Truly impressive phenotype, structure, disposition and scrotal development. Unmatched length of top, body dimension and muscle shape.
- Maternal strength, Rebel descends from a top cow family. His dam is a beautifully uddered, correct made Done Right daughter.
- Real time EPDs, no other outcross bloodline has proven to be as competitive for the birth to weaning EPD spread. Descending from generations of calving ease, Rebel looks to offer a fresh new option for the economically most important traits.
- High selling bull in Canada in 2012.
- Semen packages available. Contact Darrell Stevenson.

Longest Established Annual Bull Sale

Interested Commercial Female Buyers,

We sincerely appreciate your interest in these bred females and certainly believe this offering emphasizes our foremost efforts in genetic progression. As in the past, our goal is to emphasize quality in volume. This is a premier set of females offering plenty of selection, outstanding cattle, flexible calving dates all following proper health protocol.

These bred females will sell immediately following the conclusion of the bull sale. Understand that minor changes in lot numbers will take place. Look for those updates on sale day.

If you have any further questions don't hesitate to contact us.

Sincerely,

*The Stevenson Family*

**Bred commercial females sell immediately following the bulls on Tuesday, December 3**

Pre-Register and for Additional Information Call: Stevenson Angus at 406-423-7500 or Superior Livestock at 1-800-431-4452

**Bred commercial females sell immediately following the Bulls**

### Terms & Conditions for Bred Commercial Females

1. Bred females will be sorted and sold according to age, size and calving date.
2. The buyer has the option of five head up to the entire grouped lot.
3. They have been set up with Preg Guard Gold 10 vaccine guidelines. Heifers received first shot prior to breeding and second shot after November 1.
4. They have been poured with Dectomax after November 1.
5. All females have legible BANGs tag numbers, silver identification tag or registration tattoos.
6. All females have documented ear notch biopsy BVD-PI negative results.
7. All females will be preg checked safe with calf. They will be preg checked by a licensed veterinarian, prior to delivery.
8. Females will be available for viewing in sale lots at Stevenson Angus as early as November 20. They can be viewed at [www.StevensonAngus.com](http://www.StevensonAngus.com) on a per lot basis any time prior to the sale.
9. Interested buyers must register for buyer numbers with Stevenson Angus at 406-423-7500 or Superior Livestock at 1-800-431-4452
10. Delivery cost is at the buyer's expense.
11. Purchase payment is due on sale day.

# Commercial Bred Females

**Bred commercial females sell immediately following the bulls on Tuesday, December 3  
Expect Lot counts to be adjusted as they have not been confirmed as of printing of this sale book**

## **A** 55 Angus Bred Heifers

*Due to calve: January 27, 2014*

- Confirmed AI bred to Cudlobe In Focus 5S, our breed leading curve bender for calving ease and growth.
- 80% confirmed with heifer calf pregnancies.
- An excellent set of early calving heifers. These calves will come easy and wean heavy.
- Sorted up and offered from our registered and commercial herds.
- Expect these heifers to start calving by mid-January and be essentially finished up by the projected due date.

## TWO YEAR OLD BULLS

These coming two year old bulls were selected last spring. These bulls were raised from birth to weaning without creep. From weaning these animals were fed a high roughage growing ration.

An explanation of the information is printed on page 5. Bulls are put into contemporary groups at weaning based upon their ranch origin and the conditions they were raised under, maintaining these groups through yearling and ultrasound makes the data and ratios provided more meaningful to our customers. Pertinent individual performance birth weights and ratios will be included within the footnotes. Understand, because the bulls are in different contemporary groups, a ratio of 100 will not necessarily correlate to the same weight between the different groups.

These bulls are guaranteed breeders. They have all passed a breeding soundness evaluation including a semen test. All bulls offered in the sale have tested BVD-PI negative. All non-virgin bulls are indicated in the footnotes and have been trich tested per current Montana requirements.

RETAINED INTEREST – we are selling FULL POSSESSION and ½ REVENUE-SHARING INTEREST in every bull in this sale. The bull you purchase is completely in your control regarding how you handle the bull and your natural service use. You receive 100% salvage value of the bull. Retaining ½ revenue-sharing semen interest simply allows Stevenson Angus the right to share in collection of semen, use of semen in our herds and the right to share in semen sale revenue if semen sales become a possibility.

Realistically, we will collect semen on a very small percentage of the bulls selling. It will be an even smaller number of bulls that will market semen. However, we realize that many promising bulls are identified after they have proven themselves in natural service. If you have any questions or concerns about our retained interest policy, please contact any Stevenson Angus.

# BULL CALVES

---

The bull calves offered in this Fall Sale are the top end of the natural and embryo calves out of mature cows born at Stevenson Angus in January and February. Calves out of first calf heifers are held over for our spring sale and calves born in March and April will be sold as long yearlings in next year's Fall Production Sale.

These calves were all born and raised in Central Montana near Hobson. The calves in this offering were raised from birth to weaning with no creep. After weaning, the calves are fed a high roughage growing ration. These bull calves were weaned and weighed from September 7<sup>th</sup> - 9<sup>th</sup>.

An explanation of the information is printed on page 5 of the catalog. These bulls are members of large contemporary groups within the Stevenson Angus herd. Because they are grouped by growing conditions, a ratio of 100 will not necessarily correlate to the same weight between the different groups. These bulls have all tested BVD-PI negative.

Wintering arrangements are available on bull calves purchased in the sale. For \$300 per head, they will be wintered and delivered after our March bull sale. Wintered bulls will have yearling and ultrasound data collected and recorded to AHIR. They will also pass a complete breeding soundness evaluation, including semen test, prior to delivery in the spring.

While these bulls are guaranteed breeders, we recommend that bulls not wintered at Stevenson Angus be fertility tested by a certified veterinarian prior to use next summer.

RETAINED INTEREST - we are selling FULL POSSESSION and ½ REVENUE-SHARING INTEREST in every bull in this sale. The bull you purchase is completely in your control regarding how you handle the bull and your natural service use. You receive 100% salvage value of the bull. Retaining ½ revenue-sharing semen interest simply allows Stevenson Angus the right to share in collection of semen, use of semen in our herds and the right to share in semen sale revenue if semen sales become a possibility.

Realistically, we will collect semen on a very small percentage of the bulls selling. It will be an even smaller number of bulls that will market semen. However, we realize that many promising bulls are identified after they have proven themselves in natural service. If you have any questions or concerns about our retained interest policy, please contact Stevenson Angus.
